Key Points

- What's covered?:
 - The use of **Background Music** and Exhibition of Music Videos is included for all Council Events and Authorised Third Party Events.
 - The use of **Featured Music** at Council Events and events held by an authorised third party at a Council Facility are covered with the following conditions:
 - if there is an Entry Fee, the advertised price is \$40 (inc GST) or less;
 - if there is an Entry Fee of \$40 (inc GST) or less, the Gross Expenditure on Live Artist Performers is less than \$6,000 (ex GST);
 - if the event is free (no Entry Fee) and the Gross Expenditure on Live Artist Performers is less than \$50,000 (ex GST); and
 - the event does not use Recorded Music for Dancing (unless it's exclusively an Under 18 event).
 - **Film Screenings** are covered only if the film screening is organised by the Council and there is no compulsory charge. For film screenings outside these circumstances, a separate licence is required.
- If the event falls outside these thresholds or involves the use of music within a Dramatic Context (that is, performances on a live stage which could involve a storyline and one or more narrators or characters or are performed as a ballet), a separate event licence is required and can be sought online at onemusic.com.au/licences/events/
