

# OFF THE RECORD: RESTAURANT CRITICS IGNORE THE **MUSIC**

**OneMusic Australia** conducted a comprehensive study of all 1,650 restaurant and cafe reviews published 1 April - 31 October 2019 in leading food and restaurant media. **The results show a need for our foodie influencers to play closer attention to the soundscape 'served up' by Australian hospitality venues to better critique the total dining experience and guide improvement in experiential marketing.**

For The Weekend Australian Magazine, Virgin Australia magazine, Travel Insider (Qantas) magazine, delicious magazine, Gourmet Traveller magazine and The Courier-Mail (News Corp Australia) these reviews were of print copies. For Broadsheet, OneMusic surveyed online reviews available in a 'cafe' and 'restaurant' search, city by city. For Concrete Playground, OneMusic surveyed 'restaurants' (includes bars and cafes)

### Travel Insider Qantas inflight magazine

Issue	Section	Page	Sub Section	Venue	Reviewer	Reference to music	Quote
May-19	Cheat Sheet	26	Melbourne CBD // Drink	Heartbreaker	Larissa Dubecki	1	"A raucous rock n' roll bar usually open until 3am, Heartbreaker on Russell Street is beloved for its cocktails, jukebox stacked with 1960's and 70's tunes ( <i>Bohemian Rhapsody</i> is all but guaranteed) and New York-style pizza."
Jul-19	Out There	93	In Plain Sight // Danger Island, NSW	Danger Island Bowling Club	Tony Magnusson	1	"At the Danger Island Bowling Club, two minutes away, it's all about fish and chips, salt and pepper squid and seriously good musicians performing at its Sunday sessions."
May-19	Reviews "Hot Plates"	148	VIC	Leonardo's Pizza Place	Larissa Dubecki	1	"But above all, Leonardo's is about the vibe, aided and abetted by a good-times drinks list and DJ sets."
May-19	Qnews	28	A weekend in... Watson's Bay	Beach Club Restaurant and bar	Rosemary Bruce	1	"DJ's pump out dance music in the outdoor area, which has a laid-back St. Tropez vibe."
Oct-19	Reviews "Hot Plates"	212	VIC	Tamura Sake Bar	Larissa Dubecki	1	"From the rare and obscure vinyl spinning on the turntable, to flights of sake dispensed from behind the bar with good cheer, it's like walking into a convivial Japanese house party."
Oct-19	Next Level Dining	97	Melbourne	Di Stasio Citta	Larissa Dubecki	1	"Grab a seat alongside the city's artistic intelligentsia at aperitivo hour, line up the Negronis and friend anchovies and carry on until late."
Jun-19	Cheat Sheet	26	Melbourne CBD // Eat	Ettie's	Alix Clark	1	"It's a smart lunch spot by day, an elegant wine bar and dining room by night and a downstairs piano den on the weekends."
May-19	Reviews "Hot Plates"	146	WA	Dining Akashi	Max Veenhuyzen	1	"Reverential service and soft jazz create a fittingly gentle mood."
Jul-19	Cheat Sheet	34	Howard Smith Wharves, Brisbane // Drink	Mr Percival's	Faith Campbell	1	"You'll find the city's bright young things crowded around the towering bar of bottles (yes, there's a DJ set at it's apex) at this overwater hotspot, which is part Miami, part Mykonos and still a little bit of Brissie."
Jun-19	Reviews "Hot Plates"	147	WA	The Duke of George	Max Veenhuyzen	2	"While The Duke of George bar might be a little shinier than the New Orleans-style jazz and blues bar its modeled on, the Big-Eazy spirit - and sounds- course through this former paintbrush factory's walls." "While local and touring artists supply the tunes (most sessions attract a cover charge), the kitchen keeps time with gently tweaked - and surprisingly elegant - renditions of Cajun and Creole classics."

### Gourmet Traveller magazine

Issue	Section	Page	Sub Section	Venue	Reviewer	Reference to music	Quote
Sep-19	Gourmet 2020 Restaurant Guide	96	Top 50	Restaurant Hubert, NSW	David Matthews	1	"A band limbers up for jazz and chansons."

Aug-19	Gourmet 2020 Restaurant Awards	85	New restaurant of the year	Mary's Underground, SYD	Max Veenhuyzen, Max Allen, Fiona Donnelly, Michael Harden, David Matthews, and David Sly	1	"After so much (excellent) trash food at Mary's and spinoffs comes the Underground, where Jake Smyth, Kenny Graham and co bring their experience to bear on fine dining and give it a jolt with live jazz on stage every night. "And in a city whose nightlife has been in a kind of freefall, this type of project, from ambitious operators who want to make live music an integral part of a night out and serve good quality food and drink while they're at it - well, that's something we can all get behind." "Bands take to the stage every evening - a jazz piano trio on Tuesdays, a son cubano six-piece on Saturdays - and play deep into the night." "Their full service restaurant, though, is as invested in live music as it is in evolving classic cuisine."
Oct-19	Open Season	83	VIC	Tetto di Carolina	Michael Harden	1	"Cantina Carolina functions as an all-day café, serving Italian-style breakfast and lunch (including a naughty breakfast spaghetti carbonara), while Tetto di Carollina is a roof top bar with a luxe lounge vibe, with table service and live jazz on Sundays."
Aug-19	Pottsville Review	46	Local Hero // and also...	Double Deuce Lounge	David Matthews	1	"Cocktails are fruit forward, and include a spin on a Cosmo flavoured with rosella and pomegranate, while the soundtrack features the likes of Ronnie Laws and Curtis Mayfield. Dig It."
Sep-19	Gourmet 2020 Restaurant Guide	99	Top 50	Orana, SA	David Sly	1	"His confidence lifts Orana's modest dining room to showcase a maverick Australia-first philosophy that feeds all the senses, from lemon myrtle- scented hand towels to Aboriginal artworks and comfortable Australian hardwood furniture, backed by enthusiastic and engaged service and a patriotic rock soundtrack."
Oct-19	Sydney Review	51	Star Turn	Chuuka	David Matthews	1	"It could be the soundtrack, which ranges from Lorde remixes and The Avalanches to what I'm tempted to describe as arcade synth-wave disco."
Jul-19	Bottle Service	60	NSW	Supernatural	Fiona Donnelly	1	"Opened by Shelter Co-Owner Andy Love and winemaker Peter Windrim, it's a place in step with the new, fancified Byron, but it's still a riot: customers spill into the front alley, staff shake to the soundtrack, and there's plenty of drinking with your mouth happening."
May-19	Melbourne Review	47	Art of Hospitality	Di Stasio Città	Michael Harden	1	"People wave at and toast each other to a soundtrack of Italian pop and folk music."

Sep-19	Restaurant of the Year 2020	68	Winning feeling	Attica, MELB	Max Veenhuyzen, Max Allen, Fiona Donnelly, Michael Harden, David Matthews, and David Sly	1	"Shewry, a diehard music fan and sometime DJ, cites '80s punk band Fugazi as an influence on how he approaches Attica."
Sep-19	Gourmet 2020 Restaurant Guide	88	Cheap Eats // Melbourne	Delhi Streets	Michael Harden	1	"Vibrant, fresh Indian street food served to a backdrop of Indian pop music."
Jul-19	Sydney Review	42	Rocking Encore	Mary's Underground	David Matthews	4	"When the Underground Brass Band's version of New Orleans second line, R&B and soul isn't blaring, it's Drake, 2 Chainz and Kendrick Lamar backing up A\$AP Rocky on <i>F**kin' Problems</i> ." "Their full service restaurant, though, is as invested in live music as it is in evolving classic cuisine." "Bands take to the stage every evening - a jazz piano trio on Tuesdays, a son cubano six-piece on Saturdays - and play deep into the night." "And in a city whose nightlife has been in a kind of freefall, this type of project, from ambitious operators who want to make live music an integral part of a night out and serve good quality food and drink while they're at it - well, that's something we can all get behind."
Jun-19	Melbourne Review	38	Good Times // and also...	Angel Music Bar	Michael Harden	1	Correct cocktails arrive rapidly, a snack menu delivers the likes of prawn cocktails, and an extraordinary variety of tunes are courtesy of DJs and an impeccable sound system."

### Fairfax (The Sydney Morning Herald and The Age)

Issue	Section	Page	Sub Section	Venue	Reviewer	Reference to music	Quote
	Good Food/ Winter Traveller		What's hot in Melbourne	Angel Music Bar	Gemima Cody	1	"A brilliant, expensive sound system, constantly changing the roster of their DJs and music genres, open-air courtyard at the back and a compact hidden dance bar upstairs."

	Good Food Guide/ Cover Story	7	Australia's Top 20 Bars for 2019/ SA	Lost in a Forest	Andrew Levins	1	"A record player spins anything from David Bowie to Minor Threat, the West End Drought is ice cold, and blankets are on hand if you fancy a relaxed innings on the lawn."
	Good Food Guide	4	Bar Review/ Move over, Mr Swayze	Double Deuce	Callan Boys	1	"And by "northern end of CBD" we're including Circular Quay, where Bulletin Place booze wizard Even Stroeve casts delicious spirit spells and Mary's Underground delivers Hanky Pankys and live music well after the last Manly ferry departs."
20-Jul-19	Good Weekend/ Upfront	7	Eat/ Drink	Mary's Underground	Edwina Pickles	2	"Eating dinner while listening to live music is a bit like patting your head with one hand and rubbing your tummy with the other - it's hard to know what to prioritise." "The clubby new Mary's Underground (formerly live music venue The Basement) makes it even harder when there's cool jazz on the stage and lobster with duck fat chips on the table."
	Good Weekend/ Visit Victoria	5	Melbourne in Winter	Angel Music Bar	Laura McGoch	1	"Finally, cap the night off with a short walk to Bourke Street for cocktails and tunes at newly opened Angel Music Bar."
	Good Food Guide	4	Bar Review/ Reinvented pub is made for tacos and cervenza in the sun	The George	Callan Boys	1	"It's a zone for harness racing, Neil Young, and Resch's."
	Good Food Guide/ Cover Story	7	Australia's Top 20 Bars for 2019/ VIC	Angel Music Bar	Andrew Levins	1	"Now, Angel Music Bar brings the noise- literally. A brilliant, expensive sound system, constantly changing roster of DJs and music genres, open-air courtyard at the back and hidden Dance Bar upstairs collide with well-constructed cocktails and high-low bar food such as lobster mac-and-cheese or anything from the all-night Butcher's Diner next door."
	Good Food Guide	4	Bar Review/ Meet Ivy's sleeper hit	Little Felix	Callan Boys	1	"Soft jazz, radiates through an emerald green room framed by plush banquettes and tiny lamps."
	Good Food/ Icon review	10	The time capsule that is Bar Italia	Bar Italia	Callan Boys	1	"Terrazzo tiles till run the length of the dining room decorated in a grungy mix of of <i>Godfather</i> Prints, il Tricolore flags and framed Beatles LPs"
	Good Weekend/ Upfront	20	52 Best Brunches	Boathouse Hotel	Jill Dupleix & Dani Valent	1	"There's live music for the kids, and fresh, crisp flatbread pizza (\$24) to match with A Bloody Mary spiked with jalapeno vodka".
	Good Food Guide/ Cover Story	7	Australia's Top 20 Bars for 2019/ WA	Madalena's Bar	Andrew Levins	1	"There's plenty of well-choosen, minimal-intervention juice to crack open while live Brazilian jazz welcomes the sunset."
	Good Food/ Review	5	Uplifting pub favourites	The Old Fitzroy Hotel	Callan Boys	1	"This is a pub lover's pub of seasoned beer mats, old ale signs and Travelling Wilbury's on the wireless"
	Good Food Guide/ Cover Story	6	Australia's Top 20 Bars for 2019/ ACT	Bar Richford	Andrew Levins	1	"Wine, beer and cocktails are afforded equal and thoughtful consideration at Nick Smith's slick boozier, which provides produce-driven dishes, bottle-green booths and choice vinyl on the turntable (You Am I, Grace Jones or Motown, perhaps)."

	Good Food/ Review	5	Vietnamese down under	Forty Licks	Terry Durack	2	If it sits slightly at odds with a subterranean cocktail bar named for a Rolling Stones compilation, nevermind." "But given the name, I guess it needs a bit of rock'n'roll."

Issue	Section	Page	Sub Section	Venue	Reviewer	Reference to music	Quote
April 20/21, 2019	Life: Review	47	GRECA	Greca	John Lethlean	1	"Behind the terrace, with its poorly designed, uncomfortable wicker banquettes and objectionable music, is a high-celinged, repurposed old wharf building with a long, long return eating bar around the kitchen and more objectionable music"
April 27/ 28, 2019	Life: Review	47	Dier Makr	Dier Makr	John Lethlean	1	"Harry Nilsson, Cat Stevens, Jim Croke, Nick Drake, Steely Dan."
May 18/19, 2019	Life: Review	45	UMA	Uma, Perth Restaurant	John Lethlean	1	"Music that goes from Cubano to thudding fake drum on a miserable sound system without anyone on staff noticing the incongruity of it."

August 17/18, 2019	Life: Review	46	ME WAH	Me Wah, Launceston	John Lethlean	1	"Now I cannot name any classical tunes of Old Canton, but I know the <i>Auld Lang Syne</i> and <i>Swanee River</i> are not among them."
June 29/30, 2019	Life: Review	41	YAGIZ	Yagiz, Melbourne	John Lethlean	1	"Some of it could do with being a little more robust, a little less overworked; and I'd prefer the atmosphere (music) to reflect a more Turkish identity."
July 6/7, 2019	Life: Review	45	FORTY LICKS	Forty Licks, Sydney	John Lethlean	2	"The music doesn't help, swerving from Ad-land nostalgia gold ( <i>Baby Come Back</i> by Player) to electronic dance noise that possibly sounds all right on drugs but not, I think, on Vietnamese tofu." "You'll be happy, provided you bring noise-cancelling headphones."
September 21/22, 2019	Life: Review	46	Mary's Underground	Mary's Underground	John Lethlean	7	"While the music venue's reputation was indeed known in the Murray, its not a place I ever, You know, hung out." "There is however an upside to the fall of legendary jazz and music joint and that's the rise of new tenants, namely the people behind the Sydney bar and burger phenomenon that is Mary's." "So why they've kept the stage and live acts five nights a week, and the two-tier pubby bar/ladies lounge feel of the place, they've also used the opportunity to show theirs is a multi-trick pony." "Its fair to say 'her people' are a good deal more rock'n'roll than the last lot." "The band comes on: its not intrusive, but equally it wont be everyone's idea of dining out." "By the time the second set begins, its back to La France." "Plus there's a different band every night."
